

ENCOURAGING THE HEART & ELEVATING TEAM PERFORMANCE

This program is designed to train physician leaders to effectively deploy recognition, engagement techniques, and tools to increase positivity, motivation, and performance in serving our patients.

At the conclusion, attendees will have:

- Completed the Encouragement Index and reflected on their strengths.
- Restated their values and explored their impact at work.
- Explored the meaning of the 7 essentials and shared best practices.
- Created a plan for encouraging the hearts and engaging their teams for the next two months
